

OUR MEETING POINTS

Look out for us in our red North Face branded jackets and black pants at our meeting points.

TOP OF LES PRODAIN TELEPHERIQUE

This is our main meeting point. A fantastic location, easily accessed from the Morzine area via Les Prodains cable car. It is also easy to ski here from either the Super Morzine or Ardent telecabines, so long as you can ski easy blue runs. You can catch the free "A" bus from the centre of town near the tourist information centre, the bus journey takes 5-10 minutes from Morzine. Take the cable car up, exit the station by going down the steps to the snow and turn right. We will meet you by the large piste map. The lift takes about 7 minutes. Please allow enough time from your accommodation to our meeting point, especially during high season holiday weeks.

TOP OF SUPER MORZINE TELECABINE

This meeting point can sometimes be used for our first lesson of the day (9.15am) for low level intermediate to advanced skiers who stay in the centre of Morzine. From the tourist information centre walk away from the Pleney towards the suspension bridge where you will find the Super Morzine lift station. Take the lift up and we will meet you at the top of the telecabine, just outside on the snow by the wooden ski rack. The lift takes about 7 minutes. Please allow enough time from your accommodation to our meeting point, especially on high season holiday weeks.

TOP OF ARDENT TELECABINE - LINDERET

An excellent meeting point for our first lesson of the day for those accessing from Montriond and Ardent. Many holiday companies use this as a drop off location. You can catch the free "M" bus from Pizza Express by the Mairie which will take you past Lake Montriond and to the Ardent lift station; the journey takes about 10 minutes from Morzine. Take the lift up and we will meet you by the tall yellow sign at the top of the telecabine, just walk out onto the snow and it is on your left. The lift takes about 7 minutes. Please allow enough time from your accommodation to our meeting point, especially on high season holiday weeks.

TOP OF PLENEY TELECABINE

On occasion we can meet you here, follow the directions from Morzine. This is normally under special circumstances as discussed when booking. Take the telecabine up, this takes about 7 minutes to reach the top, please be aware queues can be very large first thing in the morning so allow plenty of time before your lesson. Once you reach the top walk up the stairs and exit to the right, we will meet you on the terrace at the doors / entrance to the large self service restaurant. Please allow enough time from your accommodation to our meeting point, especially on high season holiday weeks.
